

INO aero 300 GRILL AND OVEN CLEANER

INO AERO 300

VALUE ADDED

- Viscous blue gel clings to vertical surfaces –won't run or drip.
- Penetrates and emulsifies grease and baked-on foods so you can wipe the surface clean with water. Works in minutes or overnight.
- Cleans effectively on both warm and cold ovens. Non-flammable as per CPSC Flame Extension Test as described in 16 CFR 1500.45. Vaporize to obtain a white foam that quickly becomes a blue gel allowing for uniform application on the intended surface.

APPLICATIONS

- Ceramic
- Glass and Porcelain
- Fry Pans
- Cast Iron
- Pots and Pans and Rotisseries
- Oven Hoods
- Outdoor Grills
- Stainless Steel
- Warm Ovens
- Cold Ovens

DILUTION RATE

- Ready to use

This cleaner works on grease, baked-on foods and other cooking soils for daytime application or overnight cleaning. An effective product that is safe for use on porcelain, glass, ceramics, stainless steel and cast iron surfaces. This cleaning product penetrates, emulsifies and holds the soils so you can wipe the surface clean with water. The viscous gel application clings to the vertical surfaces and won't run or drip. Excellent for cleaning grills, rotisseries, stove burners, electric fry pans and other cookware that is resistant to caustics. You can now turn that dirty job into a more pleasant task. Reduce scraping and scouring with this product.
