- Mopping Systems 1:120

INO BIO 2 Restroom Cleaner with Odour Controller comes from a State of the Art Biotechnology process. It's an ultra specialized solution to clean and eliminate odours in restrooms. It eliminates odours at the source and also leaves a pleasant fresh scent. It's a multiple use, concentrated formula that can be used on all water washable surfaces like chrome, mirror, stainless steel, wall, urinal, toilet, ceramic, porcelain and polymer. Use with sprayer, for manual wash, with a mop or with a pressure washer equipment.
