- . Mopping system: 1:100
- . Autoscrubber 1:200

This all surface cleaner is a biotechnological floor cleaner and degreaser designed to biodegrade and quickly remove deep-down oils, fats and other grime on floors. The product efficiently cleans floors leaving them much less slippery. It is formulated to leave a bio-film that continues to biodegrade fats and helps to eliminate odours after the cleaning procedures.

Recommended for use in food service, restaurants, hotels, cafeterias, supermarkets, office buildings, public areas, etc.

The product surpasses all international environmental accreditation agencies' standards and is approved as credits towards a LEED or Go Green certification.
