

## INO bio 9 BIOTECHNOLOGICAL AGRI DEGREASER

INO-BI9-4/INO-BI9-20

### VALUE ADDED

- Certified Environmental Choice by Environment Canada according to CCD-110
- Non corrosive, safe for skin.
- Over 90% biodegradable in less than 14 days.
- Does not harm metallic surfaces.
- Does not generate any of the hypersensitivity associated to chloramines.
- No harmful vapours.
- Cleaning and degreasing compounds biologically based standard.
- Ideal in the food and food transformation industries.

### APPLICATIONS

- Kitchen surfaces.
- Food contact.

### DILUTION RATE

- Spray 1:150
- Soaking Agent 1:150
- Foaming system 1:100

Approved by the Canadian Food Inspection Agency, this biotechnological agri degreaser solubilizes and hydrolyzes greases and organic oils in a remarkable fashion. Designed for use on all surfaces that come in contact with food produce. These surfaces must be rinsed with potable water before being used again. This product surpasses all existing international environmental certification standards and can easily be used in any Go Green or LEED programs.

### SPECIFICATIONS

Color	Neutral blue food coloring
Format(s)	4 x 4L and 20 L
Odour/perfume/fragrance	Oudourless
