- . Biodegradable as per OECD test 301D.
- . Certified Ecologo and Green Seal.
- . Meets all LEED standards.
- . Safe for human and aquatic life.
- . Non added fragrance.
- . Manufactured from renewable resources.
- . Contains no phosphates nor chlorhydrique or phosphoric acid.
- . Foaming product with polishing action for cleaning all surfaces.
- . Contains no NPE/APE.

APPLICATIONS

- . Washroom cleaning
- . Basins
- . Bowls
- . Showers
- . Washroom fixtures

DILUTION RATE

- . Descaling 1:2
- . Soft work 1:125

This washroom cleaner is used for keeping basins, bowls, showers and washroom fixtures clean and fresh in one easy step. It will not damage any washable surfaces and will leave fixtures sparkling clean without rinsing. The INO eko washroom cleaner removes soap films and make-up residues and also prevents hard water build-ups. With ecological certification, it is the logical choice for Health and Safety and is preferable for the environment. To conserve energy, dilute with cold water.
