APPLICATIONS

- . Floors

DILUTION RATE

- . Ready to use

INO gloss 6 high solid floor finish is designed to provide a very good protection with fewer coats. This formula combines high gloss transparency and is easy to use in one. This special finish has been developed for a low maintenance program but can be burnished and restored easily. INO gloss 6 will never turn yellow over time and will protect treated surfaces from scuff and scratches. This product is expressly designed for areas such as lobbies, show rooms and retail stores.
