

Ino-bio 15

ALL PURPOSE ODOUR CONTROLLER

INO-BI15 750

Use **Ino-Bio 15** to eliminate bad odors caused by organic matters on all surfaces, including carpets and textiles (cigarettes, animals sprayed by a skunk, litters, sports bags, lockers, laundry bins, garbage bins, etc.)

Directions

1. Clean surface if necessary.
2. Spray **Ino-bio 15** directly on the surface emitting bad odors. Make sure that the product penetrates the carpets and fabrics in order to treat all affected areas. To penetrate surfaces deeper, for example a thick carpet, first wet the surface, using water as a conductor.
3. Repeat **Ino-bio 15** application as needed.

READY TO USE PRODUCT

Benefits

- Safe for users' health
