

Ino-bio 16

DAILY DESCALER

INO-BI16 950

Ino-bio 16 cleans and removes scale and soap scum residues. Leaves a pleasant scent.

Directions

Surfaces (toilets, urinals, bathtubs, showers, sinks (also stainless steel), faucets, drinking fountains, etc.):

1. Apply **Ino-bio 16** on surfaces.
2. According to dirt accumulation, you can let the solution stand on the surfaces, scrub with an appropriate instrument (brush, pad, etc.) if necessary
3. Rinse.

Avoid frequent use of **Ino-bio 16** on marbles and carbonate-based surfaces sensitive to acid.
