

Ino-bio 4

POWER DEGREASER

INO-BI4 378

Ino-Bio 4 cleans and degreases deeply all surfaces and controls odors. It also has a continuous cleaning action.

Directions

General surfaces cleaning:

Spray **Ino-bio 4** solution diluted at 1:64 on surface and wipe.

Tough stains:

Spray **Ino-bio 4** solution diluted at 1:5 on surface and wipe. When the surface is very dirty, if necessary, let solution stand and then wipe. A soft pad can also be use.

Daily floor cleaning :

Use **Ino-bio 4** diluted at 1:128 with a mop or diluted at 1:200 for an autoscrubber.

Floor scrubbing :

1. Use **Ino-bio 4** diluted at 1:25. **2.** Apply the solution generously on the floor. If the floor is very dirty, let the solution stand and then scrub, using an appropriated pad. **3.** Collect the excess amount of solution, using a mop or a wet vacuum cleaner and rinse the floor. It is not required to neutralize the floor prior to applying a layer of floor wax.

When poured regularly in drains and pipes, **Ino-Bio 4** used solution prevents bad odors and obstructions.

Benefits

- Safe for users' health
- Safe for the environment
- Does not damage surfaces and equipments
- Hypoallergenic
- Continuous cleaning action
- Completely biodegradable
- Neutral pH
- Certified Ecologo
- Made in Canada
- Highly concentrated product: less packaging
