

PRIVILEGE™

*Make your guests
feel Privileged*

Privilege™ linen-embossed dinner napkins are a fine touch that your clients will remember. Less expensive than linen napkins, they offer a comparable look and feel, and require no cleaning or replacement costs. They can be used as premium dinner napkins, as well as hand towels or all-purpose guest towels for the hotel industry thanks to their unique dispensing box format. Moreover, as single use, disposable products, Privilege™ napkins and towels ensure hygiene and convenience in an elegant way.

Give your clients the best – it's their Privilege.
