## Crew® Shower, Tub & Tile Cleaner

Acidic cleaner that removes the toughest soap scum, body oils and hard water deposits from shower room surfaces.

### Effective

- Removes soap scum, hard water deposits, rust, body oils, grease and dirt
- Brightens stainless steel and ceramic tile
- Provides a clean, fresh scent in use

### Cost-Effective

- Concentrated formula saves money over ready-to-use cleaners
- Requires less scrubbing for scale removal than non-acid cleaners, reducing time and labor

## Use Directions

- Dispense from the appropriate Diversey dispenser with properly diluted Crew® Shower, Tub & Tile Cleaner into properly labeled spray bottle or bucket.
- Apply solution directly onto surfaces to be cleaned, scrubbing with a soft brush, pad or cloth.
- Do not allow to dry.
- Rinse surfaces thoroughly.

## Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
